Happy New Year!!

Air Equipment is excited to announce our new line for AIR CURTAINS/AIR DOORS:

Berner was the first company to manufacture air curtains in the United States, well over 60 years ago!

We all know air curtains are very important to reduce energy costs, and help prevent sanitary and health risks.

So, choose the company with the most experience and the largest product line (not to mention the most knowledgeable and responsive rep firm in Connecticut!).

Our offices/warehouse:
